Re: South Carolina Electric & Gas Company Request for Revised Rates
Docket No. 2010-157-E

Dear Ms. Boyd:

On September 8, 2010, the Public Service Commission of South Carolina (“Commission”) issued a Commission Directive in the above-referenced matter (the “Directive”) approving the request of South Carolina Electric & Gas Company (“SCE&G”) for revised rates as amended by the South Carolina Office of Regulatory Staff (“ORS”). In light of the Directive, we are filing, concurrent with this letter, a proposed order for consideration by the Commission.

Please note that the rate sheets provided as an exhibit to the proposed order include the effects of the “Rider to Retail Rates – Demand Side Management Component” as approved by Commission Order No. 2010-472 in Docket No. 2009-261-E.

ORS has reviewed the proposed order and its comments are incorporated.

By copy of this letter, we are informing the South Carolina Energy Users Committee (“SCEUC”), as the only party to file written comments to the ORS report filed in this matter, of this filing and are providing them with a copy of the proposed order.

If you have any questions regarding these matters, please do not hesitate to contact me.

Sincerely,

Belton T. Zeigler
